The purpose of Rehab Equipment Expo is to give clinicians and consumers in the community and health facilities access to information needed to make educated decisions regarding the purchase of assistive technology. The event features manufacturers and retailers who provide equipment, as well as displays by non profit organizations serving the needs of people with a disability

Throughout the day not only will you be able to visit the exhibit booths; you will also have access to sixteen people who are experts in their field to answer questions related to providing the best service to people with a disability. The lunch time panel has representatives from most of the major funding sources to answer your questions. There will also be a presentation by the Home Medical Equipment Dealers Association outlining changes that will affect your practice.

It is also an excellent opportunity to discover support groups who provide services to disabled individuals.

Many people use the event as an opportunity to network and get back in touch with professional colleagues.

The Bearer of this voucher has been invited to attend by one of the Exhibitors and is entitled to -
